## Dinner at Barbara Jean Yoder's Family Farm

**Menu at Yoder's Farm Yard Dinners: Coleslaw, Green Beans, Noodles, Stuffing, Mashed Potatoes & Gravy, 2 Meats - Turkey & Roast Beef – Plus: Apple or Coconut Cream Pie.**

We will enjoy a delicious, home-cooked meal to start off our Christmas Lights Tour. If you've joined us before you know this is a delicious treasure in Northeastern Oklahoma! Once we arrive we will all get seated and within minutes, sweet Amish ladies will start carrying plate after plate of food to our table. First veggies, like coleslaw and green beans and large bowls of chicken and noodles, stuffing (or dressing, whichever term you prefer!), the creamiest, softest mashed potatoes and of course, gravy. All the ingredients are homemade. Everything from the soft, warm, yeast rolls with decadent apple butter, to the thick, wholesome noodles used in the chicken and noodles, is made fresh right at Barbara Jean Yoder's Amish Farm Yard Dinners. The freshness and quality really make a huge difference. Oh, with all these wonderful food, I've not mentioned our meat dishes. Delicious Roast Beef and juicy Turkey! We'll think we're so full we are about to burst and one of those nice Amish ladies will set a couple of delicious pies at our table. Our choice will be Apple or Coconut Cream plus a cup of piping hot coffee. And for those that want to take a piece of Amish country home with you, Barbara Jean Yoder has a small "grocery" area, where you can shop for dry noodles, cookbooks, jams and apple butter!

## Christmas Lights Extravaganza at Rhema Bible College

Did you know over 200,000 people visit the Rhema Christmas Lights display and witness over two million shimmering lights synchronized to Christmas music. Rhema Christmas Lights Extravaganza is a brilliant display of twinkling lights that began with about 60,000 lights in 1982. Our Motorcoach will drive through the lights then we will get out and walk around the park (optional) to view the spectacular displays. Back again is the "Christmas tree forest." This year, it features a 22-foot tree, including a five-foot star, surrounded by smaller, beautifully lit metal trees. And as always, the vibrant Rhema Park bridge acts as a remarkable centerpiece for the entire display. Make sure to enjoy a photo-op at the Rhema Park bridge, complete with over 90,000 lights draped across the bridge alone. Synchronized to both classic and modern Christmas music, these lights delight visitors of all ages. While visiting the lights we can enjoy concessions that include hot chocolate, piping hot coffee or sweet apple cider (on your own). Rhema's Christmas lights display was designed to provide a safe, peaceful, and fun atmosphere in which people can enjoy the Christmas season. They simply want to bless their community to the love of Jesus Christ and the real meaning of Christmas.
